

consideration for a Bank Enterprise Award.

(b) *Award Percentages.* The Fund will establish the award percentage for each category of Qualified Activities in the applicable NOFA. Applicable award percentages for activities undertaken by Applicants that are CDFIs will be equal to three times the award percentages for activities undertaken by Applicants that are not CDFIs.

(c) *Calculating the estimated award amount.* The estimated award amount for each category of Qualified Activities will be equal to the applicable award percentage of the increase in the weighted value of such Qualified Activities between the Baseline Period and Assessment Period. The weighted value of the applicable Qualified Activities shall be calculated by:

(1) subtracting the Baseline Period value of such Qualified Activity from the Assessment Period value of such Qualified Activity to yield a remainder; and

(2) multiplying the remainder by the applicable Priority Factor (as set forth in the applicable NOFA).

(d) *Estimated Award Eligibility Review.* The Fund will determine the eligibility of each transaction for which an Applicant has applied for a Bank Enterprise Award. Based upon this review, the Fund will calculate the actual award amount for which such Applicant is eligible.

**§ 1806.203 Selection Process, actual award amounts.**

(a) *Sufficient Funds Available to Cover Estimated Awards.* All Bank Enterprise Awards are subject to the availability of funds. If the amount of funds available during a funding round is sufficient to cover all estimated award amounts for which Applicants are eligible, in the Fund's determination, and an Applicant meets all of the program requirements specified in this part, then such Applicant shall receive an actual award amount that is calculated by the Fund in the manner specified in Section 1806.202.

(b) *Insufficient Funds Available to Cover Estimated Awards.* If the amount of funds available during a funding round is insufficient to cover all estimated award amounts for which Appli-

cants are eligible, in the Fund's determination, then the Fund will select Awardees and determine actual award amounts based on the process described in this section.

(c) *Priority of Awards.* The Fund will rank Applicants in each category of Qualified Activity according to the priorities described in this paragraph (c). All Applicants in the first priority category will be selected for Bank Enterprise Awards before Applicants in the second priority category. All Applicants in the first and second priority categories will be selected for Bank Enterprise Awards before Applicants in the third priority category. Selections within each priority category will be based on the Applicants' relative rankings within each such category, subject to the availability of funds.

(1) *First priority.* If the amount of funds available during a funding round is insufficient for all estimated award amounts, first priority will be given to Applicants that propose to engage in CDFI Related Activities, ranked in the order set forth in the applicable NOFA.

(2) *Second priority.* If the amount of funds available during a funding round is sufficient for all CDFI Related Activities but insufficient for all estimated award amounts, second priority will be given to Applicants that propose to engage in Distressed Community Financing Activities, ranked in the order set forth in the applicable NOFA.

(3) *Third Priority.* If the amount of funds available during a funding round is sufficient for all CDFI Related Activities and all Distressed Community Financing Activities, but insufficient for all remaining estimated award amounts, third priority will be given to Applicants that propose to engage in Service Activities, ranked in the order set forth in the applicable NOFA.

(d) *Calculating actual award amounts.* The Fund will determine actual award amounts based upon the availability of funds, increases in Qualified Activities from the Baseline to the Assessment Period, and an Applicant's priority ranking. If an Applicant receives an award for more than one priority category described in this section, the Fund will combine the award amounts into a single Bank Enterprise Award.
